

Cooperation with the TFIAM on the work plan common issues

Stefan Åström, co-chair TFIAM

16 October 2018

Disposition

- TFIAM Work Plan items 2018-2019
- Details of TFTEI&TFIAM common items
- Ways forward?

TFIAM Work Plan items 2018-2019

1. Review/update cost-data (*with TFTEI*)
2. Report on “cost of inaction” (*with TFTEI*)
3. Assessment report on Ammonia
4. Local air quality management (expert panel)
5. Global sectoral strategies (*with HTAP*)

1. Cost data, outcome of TFIAM 47

- Priority on updating control costs for sources not yet controlled in existing legislation
- Focus on regions that have yet to implement advanced control, i.e. countries in the eastern region of the Air Convention
- Update of GAINS cost data depends on ongoing research by national experts that is communicated to CIAM

2. Options for “cost of inaction” report, outcome of TFIAM 47

- Inaction defined as no additional action than current policy
- Focus on eastern region of the Air Convention and on ammonia

Cost of Inaction study OECD: high costs in eastern countries of EU and EMEP-region

Change in regional GDP from market impacts, central projection:
Percentage change w.r.t. no-feedback projection, 2060

Way forward

In September, TFIAM asked for EMEP/WGE support on:

1. National experts from the eastern region to contribute to a 'cost-of-inaction' report?
2. National experts to communicate new cost data to CIAM?

Can TFIAM and TFTEI members during winter 2018/2019 help in:

3. Identifying relevant documents, data, and national experts to be approached for information by TFIAM/TFTEI?

Thank you
